ORDER SEALING RECORDS

On December 20, 2002, Jonathan Bruce Reed filed *Petitioner's Unopposed Motion for Leave to file Designated Pages Under Seal*. The above-entitled motion having come before this Court, it appears that there is no opposition to the sealing of such records. However, this Court is of the opinion that the pleading should not be filed in the divided manner proposed by Petitioner. Our local rules authorize the sealing of "documents", but remain silent on whether only a portion thereof may be filed under seal, leaving the remainder to be filed as a public record. See LCrR 55.3; LR 79.3. In the interest of the due administration of justice, entire documents should normally remain together and be filed as one document, whether sealed or not. Accordingly, the Court finds that since the document in question contains material that should be sealed, the entire document should be sealed.

IT IS, THEREFORE, ORDERED that *Petitioner's Unopposed Motion for Leave to file Designated Pages Under Seal* be, and it is, hereby GRANTED as modified above, and the entire

document entitled *Objections to Magistrate Judge's Findings and Recommendation* shall be filed under SEAL as of December 20, 2002, the date such documents were tendered to this court for filing.

Signed on this the 18 day of February, 2003.

JERRY BUCHMEYER,
UNITED STATES DISTRICT JUDGE
